Try this Prompt Today

"Act as my strategic thought partner."

Role: Draw upon your expertise in [e.g. talent recruitment, school operations, instructional leadership].

Context: I'm currently facing [describe your situation] and need to tackle [your challenge].

Task: Help me develop a clear plan of action—whether it's a checklist, summary, or outline—to move forward."

Interview: Interview me, one question at a time, no more than five questions, to gain more context to complete the task.

Refine: Change the response and give more direction to revise for better, deeper results

Dr. Tom Miller is a national charter school expert and a leading voice in the emerging field of AI in education. He is the author of *The 10 Indicators of High Performing Charter Schools* and CEO of Leaders Building Leaders. Recently named a Top Global Guru in Education, Tom helps school leaders align strategy, systems, and people to drive lasting impact. His work equips educators to lead with clarity—and now, with the power of AI.
